

Ergonomic Assessment Request Form

4036

Environmental Health and Safety provides ergonomic evaluations to University employees upon request. Ergonomic evaluations are provided at no cost, however, EH&S may recommend equipment or modifications for which the employee's department will be responsible to procure and/or implement.

If an ergonomic evaluation results in the purchase of product, the department's normal purchasing policies must be followed. EH&S is not funded for, nor is EH&S aware of any central funding for, the purchase of ergonomic products.

To request an ergonomic evaluatio
