

CRITICAL PEDAGOGY

COM 79-01 | CRN: 1569
THURSDAY

In this course, we will approach pedagogical theories, methods, and practices both theoretically and pragmatically. We will survey and examine how pedagogical theories, methods, and practices are animated within communication pedagogy, queer pedagogy, communication pedagogy, critical pedagogy, etc.). We will discuss how pedagogical spaces are communicatively produced and carefully consider the philosophy of teaching and learning through a critical perspective. We will discuss the pedagogical research as well as developing, initiating, and writing. We will engage course assignments in area-) specific interests. Possible assignments include: (1) reading notes, (2) pedagogical performance proposal, (4) area-) (5) a submission to Communication Education (6) final paper/performance proposal conference/submission to a peer-reviewed journal (i.e. Communication Education, Communication Course Annual,
