

**Very Reverend IGOR CHITIKOV, PhD**

437 65th Street North, St Petersburg, [ichitikov@tampabay.rr.com](mailto:ichitikov@tampabay.rr.com)

*Born: 04.05.1959, Irkutsk, USSR*

*U.S. Citizen: 07.27.2001, Tampa, Florida*

**Education:**

Moscow State University & Voronezh State University, PhD in Mathematics, 1985

(Advisor - Professor N.J. Vilenkin)

Tambov State Pedagogical Institute (Russia),

Master in Ed +BS in Physics 1981

(Advisor - Professor V.F.Molchanov)

**Experience:**

**USA:**

*University of South Florida:*

Instructor 1                      2012 - present

Visiting Instructor              2010 - 2012

Adjunct Instructor                2001 - 2010

*St. Petersburg College, Florida*

Adjunct Instructor                2000 -2001

## USSR

*Tambov Physics & Mathematics High School:*

Associate Principal                      1990-1992

*Tambov State University:*

Associate Professor 1989-1990,

Associate Researcher 1987-1989,

Assistant Professor 1985-1987

Instructor 1984-1985

## Teaching Experience:

USF:

Graph Theory, Geometry, Linear Algebra, Differential Equations, Calculus, College Algebra, Precalculus, Finite Mathematics, Mathematics for Liberal Arts

St. Petersburg College, Florida:

**Other Experience (Russian Orthodox Church):**

Ordained to the diacon on April 14, 1991

Ordained to the priesthood on May 22, 1991

Archpriest - 2005.

Rector and priest of St Andrews Russian Orthodox Church St Petersburg Florida 1993 – present

Priest of SS Damian & Kozma Russian Orthodox Church Passaic New Jersey 1992 – 1993

Priest in England (London, Bradford, Manchester) 1992

Deacon and Priest in Tambov Russia 1991 -1992

**Conference speaker:**

- 1) IX International Symposium "Group Theory", Moscow, Russia, 1984
- 2) IX Sobolev School "Operators Theory in Functional Spaces", Ternopol, Ukraine, 1984
- 3) International School "Group Representations Methods in Physics", Urmala, Latvia, 1985
- 4) XI Sobolev School "Operators Theory in Functional Spaces", Mias, Russia, 1986
- 5) Winter Mathematics School, Voronezh, Russia, 1986
- 6) Conference "Hyper-complex systems", Kiev, Ukrain, 1986
- 7) 1<sup>st</sup> School " Problems of the theoretical nuclear physics", Obninsk, Russia, 1987
- 8) XII Sobolev School "Operators Theory in Functional Spaces" Tambov , Russia, 1987  
(Member of Program Committee)
- 9) Winter Mathematics School, Voronezh, Russia, 1987
- 10) 2<sup>nd</sup> School "Problems of the Theoretical Nuclear Physics", Obninsk, Russia 1988

11)
