About our Research Team

Stephen Neely (PhD, North Carolina State University, 2013) is an Associate Professor in the School of Public Affairs at the University of South Florida. He is coordinator of the School's undergraduate program in *Leadership and Public Service*. His areas of specialization include survey research, quantitative data analysis, and public policy. He is a faculty researcher on the *Sunshine State Survey* project and has conducted survey research on behalf of local governments in the Tampa Bay region. Dr. Neely can be contacted by email at srneely@usf.edu

Joshua M. Scacco (PhD, University of Texas at Austin, 2014) is an Associate Professor in the Department of Communication at the University of South Florida. Dr. Scacco also serves as a Faculty Researcher with the USF-Nielsen Sunshine State Survey and is a Faculty Research Associate with the award-winning Center for Media Engagement at the University of Texas at Austin. He specializes in political communication, media content and effects, and quantitative research methods. Dr. Scacco can be contacted by email at jscacco@usf.edu

Elizabeth Strom is Associate Professor in the School of Public Affairs at the University of South Florida. She holds a PhD in Political Science from the City University of New York (1996), a Masters in City Planning from the Massachusetts Institute of Technology (1985), and a BA from Swarthmore College (1980). Dr. Strom has published on urban politics and development and affordable housing issues in such journals as the *Urban Affairs Review*, *Journal of Urban Affairs*, and *Housing Policy Debates*. She is also interested in the role of arts and tourism in urban development and more generally in local and state level policy and politics. She serves as co-leader of the Florida Chapter of the Scholars Strategy Network. Dr. Strom can be contacted by email at estrom@usf.edu
