Behavioral Evolution, Incorporated (BEI) is a behavioral firm located throughout the state of Florida. Our primary focus is to provide the best behavioral services to families caring for individuals with developmental needs along with consultation to local organizations in need of systemic improvement.

All services are provided by Board Certified Behavior Analysts. These analysts are highly skilled and have been trained to provide you with the services you deserve and that your child needs to promote a healthy lifestyle. Many providers work to keep their clients, as we work to treat our clients. Our goal is not to have to provide behavioral services throughout these individuals lives but to provide quality services upfront so they will be able to lead their own lives into a promising future.
