^{*}These factors are not a checklist; instead, they should be used by the faculty member to make their case for impact and used by the department Chairappraise the case.he list of factors is not exhaustive. The Chairshould consider the andidate's teaching orkload assignment and access to graduate students (i.e., instructors do not work with graduate students).

SERVICE

The Department's goals regarding Service are that faculty contribute time, energy, and expertise to the department, college, univertsyi, community, and profession. Service will vary depending upon each faculty member's skills, talents erkload

should not be counted The standard workload assigned to service is approximately the full below is based upon such a service workload.

Unsatisfactory	Does not Meet	Meets	Exceed
4	Expectations	Expectations	Expectations
	3	2	1

The chair's postenure performancereview narrative and scores shade a holistic assessment based upon the candidate's ability to help the department meet its goals in the areas of teaching, research, and service.

Once the chair has assessed the candidate/ear performance and productivity and assigned post tenure performance scores in the areas of the bing, research, and service escores shall be weighted by the Syear average faculty workloads in these areas to produce the candidate's overall post-tenure performance scoreThe Chair's narrative shall justify this final or overall performance scores well as any upward or downward adjustments made.
