

# ONLINE MASTER OF SOCIAL WORK PROGRAM

USF's online MSW program is designed to prepare professionals to become tomorrow's leaders in social work practice and be the voice of change in their communities and beyond. Our USF online MSW Programs are built upon a strong foundation of social work ethics, values and professional standards, followed by advanced scholarly study in preparation for clinical social work with individuals, families, groups and communities. Both online MSW Traditional and Advanced Standing programs are a combination of fully online and live online courses, so you can earn your degree remotely. We are committed to equipping students to advocate for the population and communities they are most passionate about serving.
