holding the following titles at the University of South Florida:

Graduate Research Assistant (Class Code 9182),

1.2 Exceptions. Nothing contained in this Agreement shall be construed to prevent the University or its representatives from meeting with any individual or organization or hear views on any matter; provided, however, that as to any such matter which is a proper subject of collective bargaining and covered by a term of this Agreement, any changes or modification shall be made only through negotiations and agreement with UFF-USF-GAU.

Article 2

The University shall appoint the majority of the .5 FTE employees in Graduate Assistant positions (9183, 9184, 9185, 9550) to an appointment of at least one (1) academic year, consistent with the faculty calendar (19.5 pay periods)⁵

University shall provide such statement twenty (20) days following receipt of such request. Deadline for notices of non-reappointment shall be April 30 and August 30 as specified in 2.4 A and B respectively.

E. When the University has reason to believe that the employee's presence on the job will adversely affect the operation of the University, the University may immediately place the employee on leave with pay, pending investigation of the event(s) leading to that belief. However, such leave with pay shall not extend beyond the semester in which the action is taken.

Article 3

Employment Performance Evaluation

3.1 Policy. A comprehensive annual performance appraisal for each employee, whose term of appointment is one (1) semester or longer, shall be evaluated in writing once during each such appointment. The University-wide comprehensive annual performance

observer agree to extend the time period or there is a documented unavailability of either party. Such comment shall not be grievable; however, the employee shall have the right to respond in writing and shall have such response attached. The employee shall have the right, to be exercised within three (3) working days after the meeting with the observer, to request in writing an additional observation or visitation by a different observer. Such additional observation or visitation shall be accomplished prior to the end of the semester, and shall be placed in the evaluation file. The employee shall have the right to respond to this observation also and have the response attached.

3.4 Criteria. The comprehensive annual performance appraisal shall be based upon assigned duties, and shall consider the nature of the assignment, in terms where applicable, of:

A. Teaching effectiveness, including effectiveness in presenting knowledge, information, and ideas by means or methods such as lecture, discussion, assignment and recitation, demonstration, laboratory exercise, practical experience, and direct consultation with students. The evaluation shall include consideration of effectiveness in imparting knowledge and skills, and effectiveness in stimulating students' critical thinking and/or creative abilities, and adherence to accepted standards of professional behavior in meeting responsibilities to students.

B. Contribution to the discovery of new knowledge, development of new educational techniques, and other forms of creative activity. The evaluation shall include consideration of the employee's productivity, including the quality and quantity of what has been done during the year, and of the employee's research and other creative programs and contributions; and recognition by the academic or professional community of what is done.

C. Service to, and awards by, international, professional, state, and community organizations.

D. The employee must show progress toward degree completion in a timely fashion to assure successful completion of the degree within the timelines established by University policy.

Article 4

Employee Evaluation File

4.1 Policy. There shall be only one (1) employee evaluation file in which all written materials used to evaluate employee performance are maintained so that when evaluations and personnel decisions are made, the only documents which may be used are those contained in that file. The evaluation file shall be separate from the student and medical records maintained by the University and shall be located in the official personnel file maintained in the Human Resources Office.

4.2 Access.

4.7 Removal of Contents. Materials shown to be contrary to fact shall be removed from the file. This section shall not authorize the removal of materials from the employee evaluation file when there is a dispute concerning a matter of judgment or opinion rather than fact. Materials may also be removed pursuant to the resolution of a grievance. The parties to this Agreement acknowledge the requirements of the public records law and nothing contained herein shall authorize any action contrary to law. The union encourages employees to collect information from their own file and make it available for viewing to their representative if necessary, so the University and its staff are not unduly burdened with compliance.

4.8 Only University officials with a business need may inspect information reflecting evaluations of employee performance in accordance with applicable law.

Article 5

Academic Freedom and Responsibility

5.1

the individual, while he or she may be freely identified as an employee of the University, is not speaking as a representative of the University in matters of public interest.

5.4 On the part of the Administration, Academic Responsibility implies a commitment actively to foster within the University a climate favorable to responsible exercise of freedom.

Article 6

Workload

6.1 Assignment of Responsibilities. The parties understand that, while hourly rate may be used in statistical calculations or to report the fulfillment of duties to governing agencies, graduate assistants who are employed as research, teaching or instructional assistants (Class codes 9181, 9182, 9183, 9184, 9550) are salaried employees. Graduate assistants employed in Class code 9185 are appointed as non-exempt hourly employees and will need to complete a time sheet. Time clocks shall not be used to record work hours.

A. No employee shall be assigned employment responsibilities during a semester that exceed an average of ten (10) hours per week for one-fourth time; thirteen and one third (13.3) hours per week for one-third time; twenty (20) hours per week for a one half time appointment; or thirty (30) hours per week for a three-quarter time appointment. The same proportional relationship applies to all other FTE's.

B. For the purposes of determining whether an assignment can be accomplished within the time limitations described herein, research and other activities that lead directly to an employee's thesis, dissertation, or other degree requirements need not be counted as part of the assigned workload.

6.2

8.1 Policy. Neither the University nor UFF-USF-GAU shall discriminate against any employee based upon race, color, sex, religion, national origin, age, veteran status, disability, or marital status, consistent with federal and state law, nor shall the parties discriminate based upon sexual orientation or membership or non-membership in a union. The University agrees that personnel decisions, including reappointment, promotion, evaluation and disciplining of an employee, shall be based solely on job-related criteria and performance.

A. Sexual harassment is a form of prohibited sex discrimination which is prohibited both by law and University policy. In *Meritor Savings Bank v. Vinson*, 106 S. Ct. 2399 (1986), the United States Supreme Court defined sexual harassment (29 CFR 1604.11a) in the employment context as including the following:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

B. To promote an environment at the University which is free from unlawful discrimination and harassment, graduate assistants are encouraged to report immediately any concerns regarding discrimination or sexual harassment.

Graduate assistants acting in a supervisory capacity (including supervisors of laboratories) or teaching capacity are required to report allegations from their students or those they supervise regarding discrimination, including sexual harassment, to appropriate administrators. Appropriate administrators include, but are not limited to, the employee's immediate supervisor, graduate coordinator, department chair, or Dean, or administrators in the University's Diversity and Equal Opportunity Office (DEO) or Human Resources Department.

C. Claims of discrimination, including sexual harassment, must be processed with the University DEO office rather than through the Article 11 grievance process. Employees who file a complaint with DEO will be notified of their right to file a complaint with outside agencies. More information may be located at the DEO website.

It is understood that every effort shall be made at appropriate administrative levels to expedite the decision-making process to minimize the time involved. The division of proceeds between the University and the employee generated by the licensing of patent rights or trade secrets shall be negotiated and reflected in a written contract between the University and the employee. All such agreements shall comport with and satisfy any preexisting commitments to outside sponsoring agencies, but the employee shall not commit any act which would tend to deeneest

For example, an employee scheduled to work six (6) hours on Monday and three (3) hours on Tuesday, who is unable to perform assigned duties on these days for any of the reasons described below, would be charged with two (2) days of leave, regardless of FTE appointment, or number of work hours scheduled. The leave provided under this article shall not be cumulative.

10.2 An employee may use leave described in 10.1 above when:

A. Disabled or otherwise unable to perform because of injury, illness, jury duty, required U.S. military service, or when unable to so perform because the employee's presence is required elsewhere because of injury, illness, or death in the immediate family. Immediate family shall consist of mother, father, spouse, sister, brother, child, a person in a legal dependent relationship with the employee, or other relative living in the employee's household. The employee shall notify the supervisor of the inability to serve as soon as possible.

(5) Employees on release time must remain students in good standing at the University during their release time appointment.

B. Release time shall be used for conducting University-related UFF-USF-GAU business, and shall not be used for lobbying or other political representation except in accordance with state or federal law.

C. Upon the failure of the UFF-USF-GAU to provide a list of designees by the specified deadlines, the University may refuse to honor any of the release time requests which were submitted late. Substitutions submitted after the deadlines in Article 10.4(A)(4) shall be allowed at the discretion of the University.

D. Employees on release time shall be eligible for stipend increases on the same basis as other employees, but their release time activities shall not be evaluated nor taken into consideration by the University in making personnel decisions.

E. Employees on release time shall retain all rights and responsibilities as employees, but shall not be considered representatives or agents of the University for any activities undertaken on behalf of the UFF-USF-GAU. UFF-USF-GAU agrees to hold the University

harmless for any claims arising from such activities, including the cost of defending against such claims.

10.5 Unpaid Leave

- 1) Graduate assistants shall be eligible for six (6) weeks of unpaid leave from their employment responsibilities during any 12-month period for one or more of the following reasons:
 - a. The birth of a child and in order to care for that child;
 - b. The placement of a child with a graduate assistant for adoption or foster care;
 - c. To provide the care for a serious health condition of a spouse, domestic partner, mother, father, brother, sister, child, legal dependent, or a relative living in the graduate assistant's household;
 - d. A serious health condition of the graduate assistant which makes the GA unable to perform his or her essential job duties.
- 2) The graduate assistant shall provide the University with written notice not less than thirty (30) days prior to the date of the requested leave, if practicable. In the case of an emergency, the graduate assistant must give verbal notice with-in twenty-four (24) hours of taking leave. The University may also require the GA to see a medical provider of the University's choice and at the University's expense.
- 3) Unpaid leave, including extensions, shall be at the sole discretion of the University.
- 4) The GA is eligible to return to the same or similar position at the conclusion of the leave. This return provision does not apply if the return

Article 11

Grievance Procedure and Arbitration

11.1 Purpose. The University and the UFF-USF-GAU agree that all problems should be resolved, whenever possible, before the filing of a grievance and they encourage open communication between administrators and employees so that resort to the formal grievance procedure will not be necessary. The parties further encourage the informal resolution of grievances. At each step in the grievance process, participants are encouraged to pursue appropriate modes of conflict resolution. The purpose of this Article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. The procedures hereinafter set forth shall be the sole and exclusive method of resolving the grievances of employees covered by this Agreement.

11.2 Resort to Other Procedures. If prior to seeking resolution of a dispute by filing a grievance hereunder, or while the grievance proceeding is in progress, an employee or UFF-USF-GAU seeks resolution of the matter in any other forum, whether administrative or

judicial, the employer shall have no obligation to entertain or proceed further with the matter pursuant to this grievance procedure. Further, since the University and the UFF-USF-GAU do not intend that this grievance procedure be a device for appellate review, the University's response to a recommendation of a hearing officer or other individual or group having appropriate jurisdiction in any other procedure shall not be an act or omission giving rise to a grievance under this procedure.

11.3 Definitions. As used herein:

Some of these activities are scheduled to be performed at particular times. Such representative shall have the right, during times outside of the hours scheduled for these activities, to investigate, consult, and prepare grievance presentations and attend grievance meetings. Should any hearings or meetings with the University, the President, the Board, or their representatives necessitate rescheduling of assigned duties, the representative may, with the approval of the appropriate administrator, arrange for the rescheduling of such duties or their coverage by colleagues. Such approval shall not be unreasonably withheld.

11.6 Appearances.

11.15 Arbitrability. In any proceeding, the first matter to be decided is the arbitrator's jurisdiction to act, which decision the arbitrator shall announce. Upon concluding that the arbitrator has no such power, the arbitrator shall make no decision or recommendation as to the merits of the grievance. Upon concluding that the issue is arbitrable, the arbitrator shall normally proceed with the hearing at that time, provided that either the University or the UFF-USF-GAU may seek judicial review of the arbitrator's decision as to jurisdiction and have the hearing on the merits of the grievance delayed until such review is completed, pursuant to Section 682.03, Florida Statutes.

11.16 Conduct of Hearing.

A. The arbitrator shall hold the hearing in Tampa, Florida, unless otherwise agreed by the University and the UFF-USF-GAU. The hearing shall commence within sixty (60) days of the arbitrator's acceptance of selection or as soon thereafter as is practicable, and the arbitrator shall issue the decision within forty-five (45) days of the close of the hearing or the submission of briefs, whichever is later, unless additional time is agreed to by the University and the UFF-USF-GAU.

B. The decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted. Except as expressly specified in this Article, the provisions of the

11.18 Fees and Expenses. All fees and expenses of the arbitrator shall be divided equally between the University and the UFF-USF-GAU. Each party shall bear the cost of preparing and presenting its own case. The party desiring a transcript of the arbitration proceedings shall provide notice to the other party.

B. In order to supplement the funding provided by the Legislature for this program and following the practice of other major research institutions throughout the country, the University shall encourage those individuals who make application for contracts or grants to incorporate the costs of the matriculation and tuition charges which are associated with graduate assistants who are to be supported by such contract or grant into the contract or grant proposal.

12.3 Excess funds. The UFF-USF-GAU may request a consultation with the Graduate Dean or his/her representative regarding the distribution of funds in excess of those needed to fund the tuition payments described in Article 12.2.

Further, if the University revises the specifications of an existing class in the graduate assistant series so that its bargaining unit designation is changed, it shall notify UFF-USF-GAU of such new designation. Within ten (10) days following such notification, UFF-USF-GAU may request a meeting for the purpose of discussing the designation. If, following such discussion, UFF-USF-GAU disagrees with the designation, it may request the Florida Public Employees Relations Commission to resolve the dispute through unit clarification proceedings. An employee may request a review of the appropriateness of the employee's classification by the appropriate University office. The matter shall not be subject to Article 11, Grievance Procedure.
