

This Memorandum of Understanding (JFF, AU) as follows:

Memorandum of Understanding between the Graduate Association and the Board of Trustees of the University of Florida.

WHEREAS the Board of Trustees of the University of Florida has issued orders, including the following:

FF/G have entered into an agreement with the Board of Trustees of the University of Florida regarding the participation of the Public Health Institute in the University of Florida.

WHEREAS the participating employees and the University of Florida are committed to efficient and safe and healthful operation of the University of Florida.

NOW Therefore, the parties agree as follows:

1. No Graduate student shall be required to perform any duties on a full-time basis unless the Board of Trustees has advised the student in writing. No classes are required for research or professional purposes.
2. Regardless of the number of courses, the student shall be permitted to work on a part-time basis, and, if available, the University shall also provide the student with a stipend.
3. Graduate students shall be permitted to work on a part-time basis, and, if available, the University shall also provide the student with a stipend.
