Welcome to the IPEDS Outcome Measures (OM) survey component. The OM component collects award and enrollment data from degree-granting institutions on four undergraduate cohorts and eight undergraduate subcohorts at three status points: four-years, six-years, and eight-years after entry.

The four cohorts of degree/certificate-seeking undergraduates are:

- First-time, full-time entering (FTFT)
- First-time, part-time entering (FTPT)
- Non-first-time, full-time entering (NFTFT)
- Non-first-time, part-time entering (NFTPT)

For each cohort, two subcohort groups have been added to the OM component - Pell Grant recipients and Non-Pell Grant recipients - resulting in eight undergraduate subcohorts.

- All institutions must report on a : I @!M95F cohort. The OM cohort year is 2010-11. The full-year cohort coverage period is July 1, 2010 - June 30, 2011.
- Institutions will establish their OM cohorts based on their subcohorts of entering Pell Grant recipients and Non-Pell Grant recipients. Institutions should first identify their entering degree/certificate-seeking undergraduates during the cohort coverage period of July 1, 2010 - June 30, 2011, and place each student in the appropriate subcohort. Each student should be reported only once.
- All institutions are required to report transfer-out student data.
- For each status point, institutions will report the highest type of award conferred to a student for each subcohort. The three award categories are certificates, Associate's degree, and Bachelor's degree.
- Institutions should report exclusions for the entire eight year period only on the "Establishing Cohorts" screen. Additional exclusions cannot be reported on the status point screens (i.e., four-years, six-years, or eight-years after entry).

- Eight-year status point was as of **5 i [i gh ' ' % z ' & \$ %**,

Carefully read each [OM FAQ](#) before reporting your institution's data. There are FAQs regarding the major updates to OM 2017-18 collection, such as academic reporters now reporting on a full-year cohort, summer sessions starting prior July 1, reporting awards at different status points, and Pell Grant and Non-Pell Grant recipient subcohorts.
