Overview

; fUX i Uh]cb' FUhYg' C jYf jJYk

The Graduation Rate component of the IPEDS survey collects data on the cohort of first-time, full-time, degree/certificate-seeking undergraduates and tracks them for 150% of the normal time of their program to see how many complete. This information is collected as part of the Student-Right-to-Know Act.

Once a student is in the cohort, they remain in the cohort, even if they switch to part-time or drop out. However, adjustments can be made to the initial cohort for exclusions, which include the death of a student, permanent disability, military deployment, or an official church mission.

---	--	---------------	--	-------------	-----

Reason: The system corrected the process for establishing student cohorts for our institution. This adjustment resulted in a drop out rate that differs from the previous year.
