Part E - First-time Bachelor's Cohort Retention Rates (Full-time)

### **Retention Rates**

Full-time, First-time Bachelor's Cohort from Fall 2016

Academic reporters determine the cohort and retention as of the institution's official fall reporting date or as of October 15. Program reporters determine the cohort with enrollment any time between August 1 and October 31, 2016 and retention based on August 1, 2017.

The retention rate is calculated by the system after clicking "Save" on the screen. Exclusions are subtracted from and inclusions are added to the original cohort and the resulting adjusted cohort is used for calculating the retention rate.
