Date Issued: 9/04

Date Revised: 5/22

Page 1 of 3

TITLE: Reporting/Tracking Work Related Injury/Illness
SCOPE: All Animal Program Personnel
RESPONSIBILITY: Veterinary Staff, Facility Manager, All Animal Care Personnel, and Administrative Staff
PURPOSE: To Outline Procedures for Reporting Work Related Injury/Illness

-
- I. **PURPOSE** his/her supervisor (no exceptions).
2. Facility Managers are required to maintain a record of information regarding every reported work-related injury and/or illness on the ***Work-Related Injury/Illness Log, CMDC #129.***
 3. Facility Managers are responsible for knowing ***How to Report a Work Related Injury or Illness*** and completing the

[Online Consolidated Injury/Illness Reporting](#)

[Form.](#)

4. It is the responsibility of the injured/ill individual to submit all work-related documentation provided by a health care provider to their supervisor or Facility Manager. Facility Managers are responsible for forwarding any documentation to the Assistant Director.
5. The Facility Manager is required to submit the [Online Consolidated Injury/Illness Reporting Form](#) for each work-related injury/illness to Human Resources and the Assistant Director

3. **In case of emergency, call 911** for immediate medical care or immediately send the employee to a hospital emergency room. The Facility Manager must call AmeriSys at 1-800-455-2079 as soon as practical. The AmeriSys toll free number is available 24/7.

4. For **non-emergency** injury/illness, the [**Online Consolidated Injury/Illness reporting Form**](#) must be completed

assistance regarding the entire Workers' Compensation process and can be contacted by email at ehs@usf.edu

11. **Complete information is available on the Worker's Compensation webpage** on the HR website at <https://www.usf.edu/hr/benefits/attendance-leave/workcomp.aspx>
