PROTOCOL TITLE		

The parties agree that:

- I. Both institutions maintain independent animal care and use programs, each of which are qualified for animal use activities under federal and state regulatory requirements.
- II. The KML's visiting Institutional IACUC has approved the animal use to be conducted at the KML, a copy of which will be provided to FIO KML.
- III. The KML's visiting Institutional IACUC will be informed by FIO KML IACUC of any issues, concerns or verification.
- IV. The KML's visiting Institutional IACUC will be informed by FIO KML IACUC of any issues, concerns or verification for animal use conducted at the KML. Ownership encompasses the following:
- VI. The Institution will comply with FIO KML rules, SOPs and policies regarding the use of the KML facilities.
- VII. The Institution will comply with FIO KML rules, SOPs and policies regarding the use of the KML facilities.

program.
