

# How to Read Your MSC Reservation Confirmation

Each time you make a reservation at the MSC, you will receive an emailed reservation confirmation. There are many important details listed on the confirmation, such as the event date, your event location, the time you have reserved the location, your contact information, and any charges associated with your reservation. Because some items may be changed while your reservation request is being processed, it is crucial that you review and confirm that these details are correct. If you have any questions about your confirmation or would like to make any changes to your confirmation, please contact your MSC Event Planner.

Below, we will show you where each of these important details are located on the Confirmation sheet.
